Membership Category

Please identify the membership category that you would like to apply for. The membership category should reflect your main business.

Full Member

Manufacturer Member: means any legal entity that manufactures 3GPP and/or 3GPP2 system capable terminal devices and markets them under its own brand name (i.e. main occupation of your company is the manufacturing and selling of mobile phones and/or other mobile enabled devices). As a Manufacturer Member, it is your intention to certify your mobile devices against the GCF Certification Criteria.

Operator Member: means a 3GPP and/or 3GPP2 system network operator (i.e. main occupation of your company is the provision of mobile networks).

Associate Member

Associate Manufacturer Member: means any legal entity that manufactures 3GPP and/or 3GPP2 system capable devices and markets them under its own brand name not choosing to become a Manufacturer Member (you don't have the in-house technical experience to qualify as a full Manufacturer Member or do not need to certify Modules). As an Associate Manufacturer member, it is your intention to certify your products against the GCF Certification Criteria.

Associate Operator Member: means a 3GPP and/or 3GPP2 system network operator not choosing to become an Operator Member.

Other Member

Client Vendor Member: means any legal entity that produces client application software for 3GPP and/or 3GPP2 system capable devices. As a Client Vendor Member, it is your intention to certify your products against the GCF Certification Criteria;

Observer Member: means an interested third party involved in the design, development, manufacturing, testing, service provisioning, standards and/or requirements development etc., of 3GPP and/or 3GPP2 system capable terminal devices, not qualifying in any of the above categories.

Where did you hear about GCF :

What is the main reason for wanting to join GCF:

Thank you for completing the general section of the application. **Please now complete the relevant membership section on pages 3 or 4.**

Once you have completed all applicable parts of this form, please save and send to: gcf@globalcertificationforum.org. On receipt, your application will be acknowledged and validated after which you will receive the GCF Declaration of Participation together with an invoice for membership fee, if applicable.

Once the signed Declaration of Participation and the payment of the membership fee have been received , your membership application will be sent to the members for acceptance. This process takes 7 days.

On the 8th day, your GCF membership will be approved and your access to the GCF members portal will be granted.
