Quorum

- 8.3. No business shall be transacted in any General Meeting unless persons representing not less than five (5) Operator Members and five (5) Manufacturer Members are present (in person or by proxy) at the time when the meeting proceeds to business, save the appointment of a chair of the meeting.

Adjournment

- 8.4. If within one hour from the time appointed for a meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the next day, at the same time and place, or to such other time and place as the Board of Directors may determine, and if at the adjourned meeting a quorum is not present within one hour from the time appointed for the meeting the Members present shall be a quorum.
- 8.5. The chair may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting to another time (or indefinitely, to no fixed time) and/or another place.
- 8.6. No business shall be transacted at any adjourned meeting other than business which might lawfully have been transacted at the meeting from which the adjournment took place.
- 8.7. When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of the original meeting.

Amendment to Resolutions

- 8.8. If an amendment is proposed to any resolution under consideration but in good faith is ruled out of order by any chair of the meeting, the proceedings on the main resolution shall not be invalidated by any error in such ruling. No amendment to a resolution (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

Resolutions in Writing of Members

- 8.9. A resolution in writing is passed:
- 8.9.1. as an ordinary resolution if it is passed by Members representing a simple majority of the total voting rights of those Members who would have been entitled to vote on the resolution on the date on which copies of it are sent or submitted to Members in accordance with the Act (or if copies are sent or submitted to Members on different days, on the first of these days); and

and shall be valid and effective as if it had been duly passed at a general meeting of the Company duly convened and held and may consist of several instruments in like form each executed by or on behalf of one or more Members.

9. DECISION-MAKING OF THE GENERAL MEETING

- 9.1. Unless otherwise provided in these Articles, resolutions of the Members in a General Meeting shall be adopted by a simple majority of both the Operator Members and the Manufacturer Members (“Double Majority”) present and entitled to vote in each vote.

Demand for Poll

- 9.2. At any General Meeting a resolution put to the vote of the meeting shall be decided by a simple majority of both the Operator Members and the Manufacturer Members (“Double Majority”) present and entitled to vote on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:

Procedure on a Poll

- 9.4. A poll shall be taken in such manner (including the use of ballot or voting papers or tickets) as the chair of the meeting may direct. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chair of the meeting may (and if so directed by the meeting shall) appoint scrutineers (who need not be Members) and may adjourn the meeting to some place and time fixed by them for the purpose of declaring the result of the poll.
- 9.5. On a poll, votes may be given either personally or by proxy. A person entitled to more than one vote need not use all their votes or cast all the votes they use in the same way.
- 9.6. A poll demanded on the choice of a chair or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such subsequent time (within a period of 30 days from the date of the meeting) and place as the chair may direct. No notice need be given of a poll not taken immediately. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

10. VOTES OF FULL MEMBERS IN GENERAL MEETINGS

- 10.1. Except provided in these Articles, on a show of hands or on a poll every Full Member who is present in person or by proxy shall have one vote.

Restriction on Voting etc in Particular Circumstances

- 10.2. If any monies payable by a Full Member to the Company (whether pursuant to these Articles or to the conditions on which such Member agreed to become a Member of the Company or otherwise) shall be outstanding and overdue, such Member shall not, unless the Directors otherwise determine, be entitled to:
- 10.2.1. vote either personally or by proxy at a General Meeting;

Validity and Result of Vote

- 10.3. No objection shall be raised as to the admissibility of any vote except at the meeting or adjourned meeting at which the vote objected to is or may be given or tendered. Every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chair of the meeting whose decision shall be final and conclusive.

10.4. Unless a poll is taken, a declaration by the chair of the meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution.

12.3. The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.

12.4. Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.

- 12.5. Unless a proxy notice indicates otherwise, it must be treated as
- (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

- 12.6. A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.
- 12.7. An appointment under a proxy notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
- 12.8. A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- 12.9. If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointer's behalf

13. CORPORATIONS ACTING BY REPRESENTATIVES

- 13.2. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member of the Company.
- 13.3. Such corporation shall, for the purposes of these Articles, be deemed to be present in person at any such meeting if a person so authorised is present at that meeting.

14. BOARD OF DIRECTORS

- 14.1. The Company shall be managed by a Board of Executive Directors that shall be responsible for the management and administration of the Company and acting together shall be authorised to sign on behalf of and otherwise represent the Company.

The Board shall have a maximum of fourteen Executive Directors at any time, including minimum four and up to six Directors representing the Operator Members and minimum four and up to six Directors representing the Manufacturer Members. Any Full Member can only have one Executive Director at any time. Notwithstanding the above, the Chair and the Vice-Chair of the Steering Group shall be additionally appointed as Executive Directors representing their membership category.
- 14.6. In addition to the Executive Directors as set out in Section 14.1, the Board shall have up to five Non-Executive Directors.

Director’s Qualification

- 14.8. Except as provided in Article 14.9, no person shall be appointed as a Director unless they are an employee or officer or director of a Full Member or of an Affiliate of a Full Member or otherwise explicitly appointed by or contractually obliged to a Full Member.
- 14.9. Notwithstanding Article 14.8 (but subject to Article 16 regarding the removal and resignation of Directors), the Executive Directors may nominate candidates for election as Non-Executive Directors of the Company for any period of appointment of Directors.

15. APPOINTMENT OF DIRECTORS

Election of Executive Directors

- 15.1. At a General Meeting of the Company, the Members shall, by simple majority both of the Operator Members and the Manufacturer Members, vote on the election of all Executive Directors on the Board. Thereafter, at successive General Meetings each year, three Executive Directors of the Operator and the Manufacturer Membership category will be re-elected.

- 15.2. If, following such re-election process there are less than the minimum number of Directors representing either the Operator Members and/or the Manufacturer Members (as set out in Article 14.5 or any subsequent re-election both of the Operator Members and the Manufacturer Members passed pursuant to Article 14.7 which remains in effect) on the Board, subject always to Article 14.7 or a special resolution both of the Operator Members and the Manufacturer Members passed pursuant to Article 14.7 which remains in effect (if any), the Members shall resolve to appoint new Executive Directors to the Board in accordance with the method set out in Articles 15.3 to 15.13, for the period to the next General Meeting when the re-election of Executive Directors will occur as set out in Article 15.1.
- 15.3. No Executive Director may be appointed unless they have been nominated or otherwise appointed in accordance with the procedure set out in the following provisions of Article 15.4 to Article 15.9.
- 15.4. Subject to the remainder of this Article 15.4, each Full Member may nominate one person for appointment as an Executive Director. For any Member to nominate a candidate for the Board, that Member must have attended at least two Steering Group meetings or Agreement Group meetings during the twelve months prior to the date in which such nomination is made. At least one of the two meetings attended must be a Steering Group meeting.
- 15.5. Any such nomination shall be made on a nomination form supplied by the Company. Such form must be lodged at the Office by the time specified on the relevant form (the "Closing Date"), and, if not so returned, shall not be valid. The form must stipulate the category to which such candidate is being nominated (ie Operator Member or Manufacturer Member category). Such form must also include, or be accompanied by a notice in writing signed by the person so nominated indicating their willingness to be appointed as an Executive Director and the particulars which would, if such person were to be so appointed, be required to be included in the Company's statutory books. If the nomination form does not include or is not accompanied by such consent and/or particulars, the nomination will not be treated as valid.
- 15.6. The nomination form shall be in such form as the Board of Executive Directors may from time to time specify.
- 15.7. After the Closing Date, the Company shall confirm that each person nominated satisfies the requirements set out in Article 15.5. The Company shall then compile a list of the persons nominated in accordance with the nomination procedure set out above.
